

Biennial Clinico-Radiologic-Pathologic Correlation

Chest

Pulmonary Arterial Hypertension (PAH) *Hybrid*

- Clinical terms, causes, and diagnosis
- CT findings and diagnosis
- Interstitial lung disease (ILD) and PAH: Clinical significance and course
- Interstitial lung disease (ILD) and PAH: Management and case scenarios

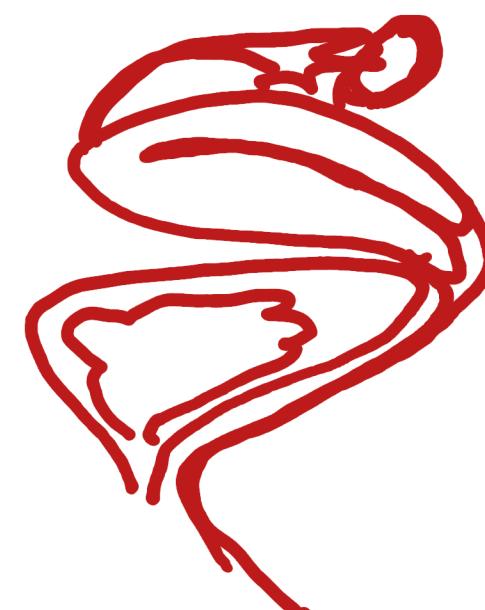

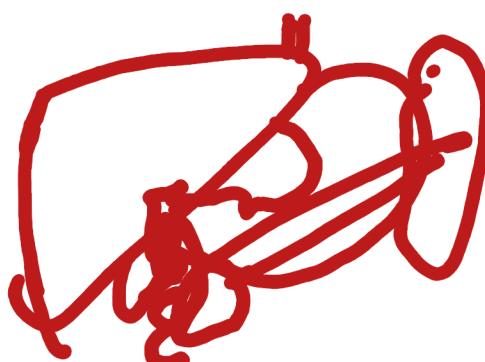

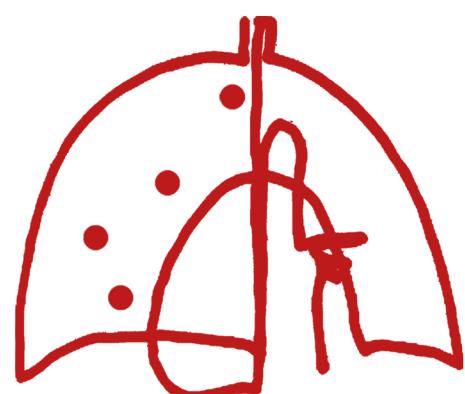

Medical Treatment in Progressive Fibrosing ILD: When and How *Hybrid*

Fibrotic Extent: Lecture-Workshop *Online*

Smoking Related Interstitial Fibrosis (SRIF) *Hybrid*

- Clinical and pathological terms
- HRCT findings

Pulmonary Infection: Lecture-Workshop *Online*

Hepatobiliary-Gastrointestinal

Case Scenarios and Workshop *Online* Answer and Comments *Hybrid*

Chronic Constipation *Hybrid*

- Cause
- Management
- Role of Imaging

Gynecologic

Anatomical-Radiological Correlation *Online*

CT-MRI Protocols *Online*

Overview of Treatment and Surgical Management *Online*

Lectures: Gynecologic Tumors *Online*

- Leiomyoma and leiomyosarcoma
- Benign endometrial conditions and malignancy
- Benign and malignant ovarian tumors

Workshop *Online*

Answer and Comments *Hybrid*
